TRIBUNE COOKING SCHOOL OPENS TUESDAY

FREE 4-DAY CLASS SET FOR McKINLEY

Miss Pauline Edwards to Conduct Program From 2 to 4 Daily

Redwood City vicinity housewives today eagerly awaited opening next Tuesday of the Tribune's big, free cooking school class to run until Friday.

The class this year will be in charge of Miss Pauline Edwards, noted home economist.

It will be held in the McKinley School auditorium with daily programs from 2 to 4 p.m. Doors to the auditorium will open at 1:30 o'clock.

Miss Edwards' name is well known to food authorities everywhere, and it will be a real privilege to hear her at the cooking school, and to obtain some of her delightful recipes and suggestions for brightening up the daily menus.

In addition to her very complete knowledge of American cookery, Miss Edwards has added to her collection of recipes, the most fascinating of foreign ones from nearly every country in the world, and can tell women a great deal about how housewives in foreign lands deal with the everlasting problem of "what to cook."

She points out that many of these delicious foreign dishes can be prepared easily, and will add a zest to the daily menu that is part of the sparkle and glamour of a trip "around the world and back."

Crepes Suzettes, for instance, are almost as well known to American women, as they are in France where they originated.

The Swedish Smorgasbord, too, has become famous among connoisseurs the world over, and is deserving of considerable attention. The Smorgasbord is a collection of hot and cold appetizers, about 30 different kinds for each meal, that make the eyes of the gourmet shine with joy.

There are fish of all kinds—pickled, sliced, in salad, and most important, a fish pie, a dish that deserves all the acclaim it receives. It is made from any kind of fish, or a combination of two or three, which are placed in a baking dish, covered with a cream sauce, then a rich biscuit crust, and baked. The cream sauce is the secret, though—it is rich and delectably seasoned, and makes the pie what it is, a King among pies.

It can readily be seen how widely versed Miss Edwards is in the lore of her chosen field, that of cookery. She imparts her knowledge with such skill, and charm of manner, that her classes are a pleasure and an education at one and the same time.

Be sure to set aside the days, May 5 to 8 to attend the cooking school!

Woman's Club Fete Includes Cooking School

A three-day cooking school at which a trained teacher and lecturer is demonstrating preparation of complete balanced meals, featuring new and tasty dishes, is a feature of the spring carnival of the Redwood City Woman's Club at its clubhouse on Clinton street. The carnival opened yesterday and is to continue through tomorrow evening.

Mrs. A. V. Farnsworth, who travels about the state bringing suggestions and tips on cooking to her audiences, is in charge of the cooking school, preparing the appetizing dishes while those interested look on and are given samples of the finished product when the day's menu has been prepared. Copies of the menus are being distributed to women attending the cooking school for their future reference in themselves preparing the dishes.

Sponsored by a local concern, Mrs. Farnsworth each day uses different equipment in her "kitchen," supplied from different Redwood City merchants on each successive day. Food materials for the menus are also being supplied by local merchants. The cooking demonstrations take place each afternoon between the hours of 2 and 4 o'clock.

Besides the cooking school there are a variety of commercial exhibits from local stores and programs of entertainment are given each afternoon, fortune telling, singing and dancing being included.

There are 204,800 surface acres of water in Wyoming.

Electrolier and Sign Demolished in Crash

A light standard and a direction sign at the corner of Broadway and Main street were demolished at 7:40 a.m. Wednesday when machines of William Leonhart, 1341 Jefferson, and Don Ayers, Menlo Park, collided. Neither driver was hurt but Ayers was cited for having no operator's license. Leonhart's car was thrown against the electrolier and sign.

DUTRA, COAST PIONEER, DIES AT BELMONT

Manuel Dutra, pioneer coastside resident who was born and raised and spent most of his 63 years in Half Moon Bay, died Tuesday night at a Belmont hospital.

He is survived by a widow, Mary; by a sister, Mrs. Manuel Francis, wife of the chairman of the board of supervisors, and by three brothers, Joseph P. Dutra and Frank P. Dutra of Palo Alto, and Antone P. Dutra of Half Moon Bay.

Mr. Dutra had been ailing for several years. His death was attributed to a heart ailment.

His career included 40 years in the general contracting business and 21 years as a funeral director. He was the owner of the mortuary which bore his name in Half Moon Bay. For 16 years he was a deputy sheriff and for 21 years a deputy coroner.

Fiesta Board Wins Dispute

Action Taken As Fair Held in Jeopardy Over Delays

Fiesta directors, headed by Pres. Bruce Gibson, Monday won their fight to retain full membership on the second annual floral fiesta commission after issuing an ultimatum to the board of supervisors that all seven or none would serve.

After lengthy debate, during which the board refused to support Supervisor Albert Witt Jr., Colma, in his opposition to certain directors, the supervisors directed preparation of an ordinance blanketing in all seven directors.

Witt unsuccessfully sought adoption of an ordinance previously prepared by the district attorney's office which would have made the directors subject to appointment by County Executive Walter Kellogg and confirmation of the supervisors.

SEEKS INDIVIDUAL VOTE

He secured no second, after Walter High, Burlingame, his colleague, took the position that the seven directors who were re-elected after last year's show, should be given consideration.

The same attitude was taken by Supervisor Fred Beer, San Carlos, who said he would not give the directors a "slap in the face" by refusing to consider their right to sit again.

Witt sought an individual vote on each director, an action, President Gibson had charged last week, was based upon political opposition by the supervisor to certain appointees.

Request of the fiesta directors that the ex-officio members of the directorate, which will include Executive Kellogg, Agricultural Commissioner Max Leonard, District Attorney Gilbert Ferrell and other county officials, be denied a vote, cannot legally be met, it is believed.

HOLDS MEMBERS

Witt declared that he would hold the board members personally responsible if the fiesta paid out funds for premiums which the state would not refund because the fair directorate was a private corporation.

He warned that the Visitacion Valley livestock provision would win state recognition and that no state funds would come to the fiesta. He criticized handling of the fair by directors who last year created a $10,000 deficit, he said.

The board, on motion of Supervisor Beer, seconded by Supervisor Walter High, directed that Asst. District Attorney Daniel Sullivan summon the fiesta directors during the week to work out a membership resolution which will be satisfactory to that body.

APPEAR IN 'GHOST GOES WEST'

Robert Donat, star of "The Count of Monte Cristo," and Jean Parker as they appear in "The Ghost Goes West." Playing on the same bill will be Al Jolson in "The Singing Kid," which opens at the Sequoia Theatre Sunday for three days, with a continuous show Sunday starting at 1:30.

Exchange Is Shown Oil Production Film

A film depicting the history of transportation and the production of oils to meet the problem of friction was shown to the Redwood City Exchange Club Tuesday at the Hotel Sequoia under direction of Larry Hausam, local oil company manager.

The film was brought here by Paul Leonard, divisional salesman of the Shell Oil Company.

Sequoia Band Gains $65 From Concert

Net receipts from the ninth annual Sequoia band concert given last week at the high school totaled approximately $65, a final count disclosed today, according to Director Max Gelber.

WPA Removal Is Debated

Director Also Queries Board on Other Matters

Whether or not the district WPA offices will be removed from San Jose to Santa Barbara with a consequent merging of the two areas may be decided by sponsors of projects themselves, it appeared today when William O. Eddy, district director, addressed a questionnaire to the board of supervisors asking their opinion on the projected move.

"Do you favor the removal of Ninth District WPA Administration office from San Jose to Monterey with a unification of the Ninth and Tenth districts with headquarters at Santa Barbara?" Eddy asked the board.

In another communication, part of a nation-wide survey being conducted, Eddy asked the board's answer to three questions:

1. Is work the proper method of meeting the unemployment as compared to the dole and idleness?
2. Are we doing useful and needed work under the WPA program?
3. Is there useful work yet to be done under a continued WPA program?

Free haircuts and shaves for charity hospital patients were demanded by a member of the San Diego County Board of Supervisors.

Growers See Bad Year Unless Oversupply Moved to Users; Chains Approached

By WALTER WARREN

SAN FRANCISCO, March 24.—(AP)—The California cling peach growing and packing industry bases its hopes for 1936 profits on cooperation of merchandizers throughout the country in moving the huge excess 1935 carryover. The growers made this clear to merchants today.

Current estimates pointed to the largest unsold stock in some years, bringing reminders of $7 a ton for canning peaches.

One hope was seen by observers in dealing with the current tion—the industry is and ...

Committee Selected To Inspect Schools

SAN MATEO, April 29.—A committee of five will make a thorough inspection of all San Mateo schools, it was decided yesterday after a meeting of the elementary school board before which charges of the Palm Avenue Improvement Association that the Hayward Park School is a "fire trap" were aired.

The committee will be composed of Mayor Frank Simmen, Building Inspector Maurice Powers, City Manager E. P. Wilsey, Fire Chief Hugh Morris and C. A. Russell, president of the improvement club.

The meeting was marked by clashes between Mayor Simmen and Parent-Teacher Association officials over Mrs. Charlotte Ross whom Mayor Simmen held responsible for prompting the improvement club to make the "fire trap" charges, which he said were "exaggerated."

Wyoming has 40 farmers who devote all their time to bee-keeping, and 320 others who find honey producing a profitable sideline.

Peach Recipes

HATTIE'S PEACH

¼ cup sugar
2 eggs separated
3 tablespoons shortening
Grated rind of 1 lemon
1 cup flour
½ cup milk
1½ teaspoons double action baking powder
½ teaspoon salt
Canned peach halves
1 tablespoon lemon juice
¼ cup powdered sugar

Blend sugar, egg yolks and shortening together in a few fast stirs. Add sifted dry ingredients and lemon rind alternately with milk. Grease sides of wide shallow baking dish. Fill bottom with quarter canned peaches. Sprinkle with a very little sugar and the lemon juice. Pour batter over peaches. Bake in moderate oven (350 deg.) about 30 minutes. Remove from oven. Cover with meringue made by beating the 2 egg whites stiff and slowly adding powdered sugar. Brown meringue in a slow oven (325 deg.) about 15 minutes. Serve warm, plain or with cream.

PEACHES POPULAR

It's a peach of a dish.

Surely you can say this truthfully about many a peach combination. There is nothing so reliable as the canned peach. It's the wise and thrifty housewife who keeps ready at hand a store of canned fruit, and among the lot you are sure to find peaches (probably some of the F & P Brand if she knows her peaches), and on very short notice peachy dishes for spring can be concocted.

PEACH MERINGUE

Cut stale sponge cake in rounds with the cookie cutter. Slightly moisten each round with juice from maraschino cherries. Put half a canned peach, cut side up, on each piece of cake and fill the cavity with halves of maraschino cherries. Make a meringue using 3 tablespoons powdered sugar to each egg white, and pile thickly over the peaches. Bake in a 300 degree oven for about 15 to 20 minutes or until the meringue is tinted light brown.

Opponent Sought In 30th District Against McGrath

Doubts that there would be a candidate to contest Congressman John J. McGrath in the 8th district August 29 Democratic primary were dispelled Tuesday at a meeting in Mayfield of the 30th assembly district council of Democratic Clubs.

Under the chairmanship of T. J. O'Donnell the 40 present voted unanimously to appoint a committe to "draft" a man who would meet with the approval of the seven Democratic clubs in the district, Palo Alto, Mayfield, North San Jose, Santa Clara, Sunnyvale, Mountain View and Los Altos, O'Donnell reported.

Appointment of the committee of five who will do the drafting was left up to Chairman O'Donnell.

COUNTY TAX LEVY HIGHER IN PAST YEAR

Change in Rate Setup Fails to Benefit Peninsula

San Mateo county property owners were taxed 7 cents more per $100 of assessed valuation than they would have had to pay had the county levied the same amount of taxes for 1935-36 as it levied for 1934-35, according to a study on the effect of the change in the tax system of California on county tax levies, recently completed by California Taxpayers' Association.

The general county tax rate for 1934-35 was $2.05, L. D. Gifford, director of research of the Taxpayers' Association stated. Although the value of property in the county on which taxes can be levied was increased by 109.08 per cent, going from $50,501,101 in 1934-35 to $104,648,203 in 1935-36, the general county tax was set at $1.05, a reduction of but $1.00. Had the county levied the same amount of taxes in 1935-36 as it did in 1934-35, the rate could have been 98 cents instead of $1.05, the association found. The general county tax levy was increased by 7.14 per cent.

The confusion brought on by the changes in the tax system, Gifford stated, has been used in many cases to hide unwarranted additions to the amounts local governments are spending. Last year only seven California counties, Marin, Mendocino, San Joaquin, San Luis Obispo, Santa Cruz, Sierra and Sutter, passed along to their taxpayers the relief due them from the changes in the tax system. The other fifty-one counties yielded in varying degrees to the temptation of more spendings. Some gave the property owner a part of his anticipated relief; others absorbed the entire benefit of the new valuations.

Prison Break Chosen As Suicide Certainty

SAN FRANCISCO, April 29 (UP)—Prison grapevine sources whispered today that Joe ("Dutch") Bowers, 40-year-old convict killed in an attempt to escape from Alcatraz prison deliberately chose the break as a means of committing suicide.

The interesting possibility that Bowers chose suicide as the way out because he faced 21 years of almost total isolation from the world may be discussed at a coroner's inquest here Thursday.

Convict stories which reached newspapers previously had reported Bowers, who had a long criminal record, was "stir crazy."

$10,065 in Damages Asked After Collision

Permanent injuries suffered by Mae Carmichael when her car and one driven by Hazel M. Frost collided last December 6 on El Camino Real near Belmont resulted today in the former suing Miss Frost for $10,065 damages. Atty Carl W. Anderson brought the suit for the plaintiff.

JONES' PLEA IS WITHHELD FROM COURT

Bayshore Bingo Case Figure to Appeal For Freedom

Refusing to concede jurisdiction of the local superior court, Samuel J. Jones, indicted Bayshore City attorney, refused to plead when he appeared before Superior Judge A. R. Cotton on Wednesday and announced he would appeal to the supreme court for a writ of prohibition to keep the court from disposing of his case.

When Jones, represented by Atty. William P. Hubbard, refused to enter a plea, Judge Cotton ordered the clerk to enter a plea of not guilty and continued the matter to May 11, at which time date for a trial will be set.

Had Jones entered a plea, he would have admitted the superior court had jurisdiction over his case. Jones contends his acceptance of a 10 per cent interest in a Bayshore City bingo permit is not a matter for the superior court to adjudicate since bingo operation is only a misdemeanor—a matter of disposition in a justice or police court.

Jones thrice entered demurrers to the true bill brought against him by the county grand jury only to have the moves denied by Judge Cotton.

Moose Officers Installed Here As 100 Look On

With 100 members and friends present, San Jose and San Francisco chapters being well represented, Redwood City Lodge No. 1112, Loyal Order of Moose, on Wednesday installed its new corps of officers.

Frank K. Groce, vice president of Moose Association and past director of the local lodge, inducted into office Elmer Rice as dictator; R. H. Parker, vice dictator; Bernard Sutfin, sergeant-at-arms; Roger Woodbury, prelate; Oscar Runsnick, inner guard, and Lewis Copeland, trustee. Outgoing dictator is Oral Neikirk.

The new dictator has already announced activities for the month of May to include a benefit whist party at Foresters' Hall, Tuesday, May 5, and initiation of a new class Tuesday, May 12.

After the installation ceremonies Women of the Moose No. 601 joined the Loyal Order of Moose for their monthly birthday party, followed by refreshments. Visitors were Mrs. Hunter of Washington, D. C., Chapter, Women of Moose, and Mrs. Smith of Bremerton, Wash.

Two civilian and about 50 convict cooks, waiters and dishwashers prepare about 1,500,000 meals a year in the state prison at Huntsville, Tex.

June Harra Believed Assured of Recovery

Gloria June Harra, 14-year-old Sequoia sophomore who was injured in a grade crossing crash in which a companion was killed, is out of danger and will probably have a "good recovery," doctors reported today at the Community Hospital.

She has shown steady improvement, they said, although her badly crushed leg is still causing concern. They did not think the limb would have to be amputated, however.

The young Sequoian was critically hurt in the San Carlos accident in which Audrey Wheeler, Sequoia senior, lost her life.

An automobile-airplane crash was averted at St. Petersburg, Fla., when the ship's pilot gave the plane, speeding for a take off, a "full stick" and jumped the car.

MATE GAINS RICE ESTATE IN HEARING

No Opposition Is Met By Seattle Resident To Will Probate

The husband of Mrs. Ada French Mengler Rice from whom she had separated when she was murdered in her Woodside Glens cottage by Ralph Jerome Selz won control of her estate in the court of Superior Judge A. R. Cotton Monday.

No contest to Charles Freeman Rice's petition for probate of Mrs. Rice's will was encountered. The document, which left to him all her property, was drawn, according to Atty. Joseph J. Bullock, who represented Rice in court, on the day of the couple's marriage in January, 1935.

Named to administer the estate was E. F. White of San Francisco, friend of Rice and nominated by him. Rice, Seattle resident, is a retired mining man. He was at one time mayor of Seward, Alaska.

Immediately after the brief court session, at which Attorney Sanderson of San Francisco, who drew up the will, testified as to its legality, Bullock announced he soon would bring suit against a Palo Alto bank to recover money obtained from Mrs. Rice's account by Selz through forging checks and documents. The suit will be brought on behalf of Rice, Bullock said.

Value of Mrs. Rice's property is not known. It includes the Woodside property which she had traded to Selz but deeds for which had not been recorded, lots at El Cerrito and property in San Diego.

City Charter Changes Put Up to Voters

Amendments Touching Manager, Collector Among Proposals

Five amendments to the city charter were approved, and a sixth is under consideration today, following an adjourned meeting of the city council Monday night.

The amendment being considered is that governing creation of a city harbor commission.

An amendment to Section 26 of the city charter, which won approval on motion of Councilman Evans Fletcher, seconded by Councilman George McNulty, proposes to remove the charter restriction requiring one year's experience as a manager's assistant before application can be made for the city manager's post here.

This restriction was the one which barred City Engineer Chas. Dimmitt from becoming city manager on departure of City Manager E. A. Rolison.

Mayor Paul McCarthy voted against removing the year's experience requirement.

TAX BUREAU PROPOSAL

Addition of Section 53½ is proposed to permit the city to make a contract with the County of San Mateo for assessing and collecting city taxes. This proposal, if approved, will eliminate the office of City Tax Collector Nelle Miramontes.

Council support for the new section came upon motion of Councilman James Eva, seconded by Councilman Louis Christensen.

Amendment of Section 56 of the charter would be necessary, if the plan above were adopted, to permit the city's maximum tax levy to be raised from $1 per $100 to $1.50 per $100 in order to allow use of the lower county assessment values.

This proposal had the approval of the council upon motion of Councilman Christensen, seconded by Councilman Robert Jones.

Another amendment proposed was that to section 91 which would give City Clerk B. E. Myers 15 days after closing of filing periods in which to prepare ballots and official arguments in behalf of proposals. Only 10 days' time is now allowed. Councilmen Fletcher and Christensen moved for submission of this amendment.

ELECTION DAY CHANGE

The fifth amendment proposes to change the biennial city election from the second Monday in April to the second Tuesday, avoiding the confusion of the Sunday holiday before election day. This amendment was approved on motion of Councilman Fletcher, seconded by Councilman Eva.

The harbor commission proposal will be decided by the council within the next day or so and will depend upon the need of the extra body.

May 13 and 14 Dates For Kiwanis Benefit

Kiwanis Club officials were at work today upon the selection of the cast for the "Womanless Wedding," a three-act play which is to be given May 13 and 14 as a benefit for local under-privileged children.

Between 75 and 90 persons will take part in the production at the Sequoia high school auditorium. Louis Christiansen is in charge of the benefit.

Menu Flashes by Joan Andrews

Asparagus is at its best now—tender and delicate in flavor. Here is a vegetable that is acceptable in any company. Asparagus is equally good hot or cold, at big dinners, small luncheons or informal suppers. Try serving cold asparagus with a sauce made by mixing prepared French mustard, mayonnaise and several spoonsful of rich cream. Your own taste will have to guide you in making this sauce, so taste as you go along, to get just the sharpness and consistency you like.

Taste and richness are all-important in cream. So many California women have told me that they always insist on Golden State cream because they know they can depend on its quality. Golden State cream is always fine flavored, sweet and rich.

Mrs. Talbot Wins, Loses

Alimony Cut to $250 But $50,000 Suit Is Dropped

A win and a loss for Mrs. Marjorie E. Talbot marked two court actions made public at 5 o'clock Monday when documents were filed in County Clerk E. B. Hinman's office just as it was being closed.

The victory was the dismissal of Mrs. Stephanie B. Brooke's $50,000 alienation of affections suit brought by the wife of Walter A. Brooke, airplane pilot, against Mrs. Talbot, who is suing William C. Talbot, wealthy Hillsborough sportsman and lumber magnate, for divorce.

Attorney Edmund J. Holl filed the notice of dismissal on behalf of Mrs. Brooke. She had brought the action August 21, 1935, declaring that she and the flier, who were married in Indiana November 23, 1933, had been happy until December, 1934, when Mrs. Talbot "wrongfully enticed and persuaded" the man away from his wife. Brooke was the Talbot's pilot on their South American trip of last year which ended in their separation.

While details of the settlement of the action were not disclosed, Holl declared his client had been paid a "considerable" sum by Mrs. Talbot in the settlement out of court.

Mrs. Talbot's loss in the other action was her husband's gain. By stipulation and agreement, the $695-a-month alimony he has been paying her was slashed to $250. On April 8 Talbot had filed suit to have the payments cut to $200. The motion was never heard, however. The compromise, approved by Judge J. L. Atteridge of Santa Cruz, who has been hearing the Talbot case, was dated April 17, but only filed at the late hour yesterday.

The cut is the last that can be made, for the papers specify that the "allowance is to continue without further modification until the final determination of this cause."

Mrs. Talbot originally was granted $1,000 a month. This later was cut to $695.

Disposal of the two actions partially clears the way for trial of the sensational divorce case, which is expected to be heard within the next four or five months.

Electric Utility Hearing Is Put Over to May 26

Hearing on the Pacific Gas and Electric Company's valuation of physical severance and other elements concerned with the attempts of Redwood City to acquire the electric utility here was continued four weeks Tuesday by the California Railroad Commission.

The continuance was secured by Mayor Paul McCarthy on behalf of the city in an appearance made before the commission in the place of City Attorney Albert Mansfield, who is in Mills hospital as the result of an automobile accident.

The private utility has accepted the $269,000 valuation placed by the railroad commission engineers on the physical property required.

The hearing was reset for May 26 by Commissioner Frank R. Devlin.

5000 Visit Library Here

Month's Activity Told To Board at April Meet By Librarian

Book circulation from the local library totaled 10,720 volumes last month, Miss Wilhelmina Harper, librarian, reported to the board of trustees at its meeting this month.

Since the average borrower takes out but two books at a time, approximately 5000 visits were made to the library by its patrons during the month, Miss Harper said. Besides this number, 2424 others came only to read newspapers and magazines.

Of the total book circulation, 4179 were adult fiction, 2696 adult non fiction, 3845 juvenile.

Eighty new members were added during the month, while 72 expired memberships were renewed. Total registered borrowers now is 9239. There were 784 reference questions answered, most of them requiring considerable research work.

A hundred twenty-five new volumes were added during the month and 130 were rebound.

Present members of the library board are Mrs. A. S. Kalenborn, president; John Gill, secretary-treasurer; Mrs. Z. T. Thorning, Dr. N. C. Cummings and Sanford B. Dole.

Special 'Fire Trap' Probe Set Tuesday

SAN MATEO, April 27—To investigate charges that Hayward Park School is a "fire trap," a special meeting of the board of trustees was scheduled today by Mayor Frank Simmen, chairman of the board, for tomorrow at 10 o'clock.

Meanwhile a letter from the Palm Avenue Improvement Association which raised a storm of denials and affirmations with its charges, urged the board "not to conduct the usual, superficial inspection, but rather to co-operate with us to make a thorough investigation." The letter was signed by C. A. Russell, president.

Heart Attack Takes K. of P. Official

BURLINGAME, Apr. 27—A heart attack brought death yesterday morning to Harry Bragg, 65, prominent Burlingame Knights of Pythias official and former chancellor-commander of the order.

The Redwood Lodge No. 82 of the order will have charge of funeral rites tomorrow at 10:30 a. m. at the Frank Wyckoff mortuary here. Interment will take place at Cypress Lawn Cemetery.

For 12 years a resident of Burlingame, Bragg had lately been working as an electrician in Palo Alto. He is survived by his widow, Viola, and three sons, Albert, Harry and Charles.

McNamara, Former Local Resident, Dies

Funeral services were held on Monday in San Francisco for Grover McNamara, native of Redwood City and for many years a business man of this community before his removal several years ago to San Francisco.

McNamara, a member of the West of Twin Peaks Council No. 2542, Knights of Columbus, and Ignatian Council No. 35, Y. M. I., was the husband of Evelyn L. McNamara, and brother of Kate L., Florence and Charles T. McNamara.

Following the last rites, conducted at St. Edward's Church, interment took place in the Catholic Cemetery at Santa Clara.

Dalton Succeeds Doyle As Chief In Stormy Meet

DALY CITY, Apr. 28.—With newly-elected Councilmen Edmund Cavagnero and John J. Fahey voting "no," the city council last night promoted Patrolman Arthur B. Dalton, one-time councilman, to police chief following resignation of John T. Doyle, for 14 years head of the local department.

Doyle resigned on condition he be given a patrol job, which pays $40 a month less than he received as chief.

Cavagnero and Fahey, who were elected to office with support of Supervisor Albert Witt Jr., had wanted a "clean sweep" of the police chief's post, it is understood.

Further actions by the council, with the exception of naming a building and plumbing inspector, were literally halted by the loud and raucous conduct of the 400 persons who filled the council chambers.

The council attempted to appoint J. W. Coleberd as city attorney after J. E. McCurdy resigned, but so much opposition developed in the audience that the move was dropped for two weeks. The same fate befell attempts to name Robert Klassen as city engineer.

Mrs. Lynch Named S. C. Police Matron

SAN CARLOS, April 27—Mrs. Lillian A. Lynch has been appointed as police matron by the city council, on recommendation of Police Commissioner Merrit R. Hosmer. Hosmer was appointed to the commissionship succeeding John B. Bryan.

A. H. Sagehorn, newly-elected councilman, becomes commissioner of streets and highways, a post formerly held by Hosmer.

Donald R. Lilly, another new board member, will be building and sanitation commissioner.

21 Boys Enjoy Trip To San Carlos Hills

Twenty-one boys from McKinley Elementary School, members of the Boys' Club, which is under Y. M. C. A. supervision, enjoyed a five-hour trip to the hills west of San Carlos, Saturday. Lunch was served, games were played, and nature, particularly birds and flowers, was studied.

Making the trip, under direction of Andrew Spinas, were Warren Salizman, Jack Klitsch, Angus MacDonald, Paul Mallon, Paul Arnaud, Robert Lauten, Manuel Ortega, Owen Knox, Eugene Benton, Alfred Wigger, Bob Beggs, Arthur Bini, Roy Thiel, Tom Flynn, Harold Becker, Dick Lowe, Bob O'Connell, Bill Rose, Ray Horwege, Clifton Riley and Bud Biegel.

Earl Green, Uvalde, Tex., ranch hand, says he roped a live hawk with his lariat while riding horseback.

MRS. JESSICA NORTON DIES

SAN MATEO, April 27—Mrs. Jessica Norton, 67, died yesterday at her San Mateo home. She had been ill for many months. Ten years a resident in San Mateo, she is survived by her daughter, Mrs. Florence White, and a son, Wilfred Norton. Funeral services will be held tomorrow at 2 p.m. at the E. L. Patterson mortuary.
